

The Baldwin Acrosonic

Model 2096 Royal Cherry

Lifestyle Series *Acrosonic* 2096

Since its introduction in 1936, the Baldwin Acrosonic piano has proven to be a trusted performer, combining exceptional tonal qualities, responsive touch and long-term durability. Meaning *supreme sound*, the name Acrosonic represents one of America's favorite pianos, earning the respect and recommendations of

piano teachers and technicians. Today, Acrosonic pianos build on this rich heritage with designs that focus on performance and exquisite furniture styling. Legendary, American-made Acrosonic pianos are crafted to provide generations of musical satisfaction and pride of ownership.

Height: 43 1/2" • Width: 57 1/4" • Depth: 25 1/2" • Weight: 368 lbs.
